

Traditional Schedule and Payment Program

Our Traditional Schedule and Payment Program allows you to choose the days (minimum of 2 days per week) and number of weeks that fit your summer schedule. The actual days do not have to be the same from week to week. Choose any days (Mon-Fri) of any weeks (June 12-Aug 4). Procedures for schedule changes and make-up days are listed on the back of the registration form and are strictly adhered to.

The first billing will be mailed to you and is due by or before June 9, 2017. Statements for subsequent weeks of camp tuition will be available in the camp drop-off room and must be received by the camp director on or before the first day of camp for the scheduled week. Children may not attend camp on any day/week for which tuition has not been paid. Please do not mail payments after June 9; payments must be brought to the school office.

TUITION:

- \$55.00/day – must enroll for a minimum of 2 days per week

To register for the Traditional Schedule and Payment Program (**see payment schedule below**), please complete the Summer Camp application. Tuition will be based on the number of days scheduled. You will be responsible for the scheduled days unless we are advised, in writing, at least two weeks in advance. See conditions on the back of the camp registration form.

If you are selecting the Traditional Schedule and Payment Program, a non-refundable registration fee of \$50.00 is to be submitted with your camp application.
