

**MIDDLE SCHOOL
2024-2025 TEXTBOOK LIST – 8TH GRADE**

Although most textbooks/ workbooks will be purchased by WVCS and billed to the student's account, parents are responsible to purchase all of the English novels as well as the Social Studies textbook from an outside source. A limited supply of social studies books may be available for purchase from the school office.

All workbooks and textbooks provided by WVCS will be handed out to students on the first day of school, and will be billed to the student account.

Families may participate in a textbook buyback program offered by WVCS at the end of the school year in order to recoup some of the costs of the textbooks. Buyback value will be determined based on the condition of the textbook.
