

5TH GRADE: MIDDLE SCHOOL DAY

Our 5th graders were honorary 6th graders for an afternoon on January 26th at the 5th Grade Middle School Day! Current 7th and 8th graders presented a slide show presentation about what 6th grade at WVCS looks like.

They learned about the daily class schedule of a 6th grader, field trips, overnight trips, middle school competitions, after school clubs, and so much more! On the middle school campus tour, they met some of their future teachers and envisioned what it would be like to be a WVCS middle school student. Each middle school teacher awarded raffle tickets and mystery letters. At the end of the tour, Emma won the chapel prize and all of our 5th graders unscrambled the letters to spell out their next surprise.....ice cream! The afternoon concluded with ice cream sundaes back in their 5th grade room while participating in a Q/A session with Mrs. Fiske, Mr. Kruse and several of our current middle school student leaders.

Later that evening, many of our 5th graders came back to school for an ASB sponsored special event just for them! Our current middle school ASB students enjoyed organizing this game night for their future classmates!

We asked our 5th Graders what their favorite part of Middle School Day was. Here's what they had to say:

“It was nice meeting all the teachers and seeing who I’ll be learning with next year. I really enjoyed touring the Science lab and seeing all the cool things we’re going to be working with.” -Hannah Fletcher

“My favorite part of Middle School Day was going into the classrooms and meeting my future teachers. The ASB event was really fun too! We played a lot of games against each other and had some yummy food ” -Christian Minassian

“I really liked the Science Room. I’m really looking forward to getting to know my new teachers, I think it’s really cool that we get different teachers for every subject. I feel like I’m ready for Middle School. I’m looking forward to it!” -Sheli Deh Gratzia

**“My favorite part of Middle School Day was the ice cream party at the end! I feel like I’m ready for Middle School because I feel really confident and I’m ready for the challenge”
-Trevin Chang**
