Hi my name is Rouge! This is my first summer working at West Valley Summer Camp, and I love to do sports and bake. I play soccer, basketball, volleyball, and participate in color guard. I'm still working on getting through high school, balancing my academics with my passion for extracurricular activities. My favorite thing about summer camp is going on field trips with the campers. These outings provide wonderful opportunities to explore new places, create lasting memories, and bond with the campers in a fun and engaging environment. I look forward to many more adventures and getting to know everyone better!

Hi, my name is Cookie! This is my second summer at camp, and I am thrilled to be here. Outside of camp, I enjoy indulging in art, working out, and diving into a good book. I am currently entering my junior year of high school, eagerly embracing new challenges and opportunities. One of the highlights of summer camp for me is meeting new kids who aren't part of our school community. It's incredibly rewarding to connect with them, share experiences, and create lasting memories together.
