Color Leads

Hi, my name is Shark! My favorite color is light blue, and my favorite animal is a shark. I have a dog named Dodger who is my best friend, and I love going to the beach. I have worked at West Valley Christian School for almost four years now and recently completed student teaching in Liberal Studies. My career goal is to teach the younger generation to accomplish their dreams and not be afraid to fail. I aim to foster a love for learning that they can carry with them throughout life. My favorite thing about summer camp is the fun games we get to play and the fun community this camp builds.

Hi, my name is Spidey! This summer marks my first at camp, and I couldn't be more excited. When I'm not at camp, you'll find me hitting the gym, exploring new restaurants with friends, and preparing for my upcoming studies at Pierce this fall, following my recent college graduation. At my church, I find joy in volunteering with children, an experience that has enriched my life in countless ways. What I cherish most about summer camp is the opportunity to forge meaningful connections with the kids.

Hi everyone, I'm Boba and I have worked 7 summers at West Valley Summer Camp! I enjoy going on hikes, read books and go to the beach during my free time! This will be my last year attending CSULB and getting my bachelor's in Healthcare Administration. My next goal is either to attend grad school or go to Law school for Healthcare law. My favorite thing about summer camp is getting to meet every camper and bringing a smile on their faces.

Hi, my name is Sushi! This is my first year working at WVSC and in my free time I love to be out in the sun or at the beach. My current goals are to finish school and continue working on my clothing brand to spread the name of Jesus and my favorite thing about summer camp is being able to go on so many fun trips with all the kids.
