Daycare Staff

Hi, my name is Panda! This is my first year at camp, and I'm excited for the journey ahead. After graduating high school, I've decided to take a gap year. In my free time, I enjoy going to the gym, hanging out with friends, and exploring new foods. One of the things I love most about summer camp is spending time with the kids and going on field trips. It's rewarding to see their excitement and joy during our adventures together. I also enjoy getting to know each of the kids here and building meaningful connections with them.

Hi, my name is Daisy! This is my second summer working at WVCS Summer Camp, and I am passionate about anything artsy and craft-related. Outside of camp, I enjoy taking leisurely walks and playing with my dog. In terms of my career aspirations, I aim to specialize in training detection dogs for the military or service dogs. This field combines my love for animals with a desire to make a meaningful difference in people's lives. My favorite aspect of summer camp is building connections with the kids in my group and sharing the love of Christ with them throughout the summer. It's incredibly fulfilling to see them grow, learn, and experience joy in a supportive and nurturing environment. Summer camp is not just a job for me; it's a chance to inspire and positively impact young lives.

Daycare Staff

Hi, my name is Tigger! I have worked at summer camp for two wonderful summers now. Outside of camp, I enjoy watching movies and spending quality time with friends. My career aspiration is to become a preschool teacher, where I can continue nurturing young minds and fostering a love for learning. One of the highlights of working at summer camp is arriving to see all the kids smiling and having fun. It warms my heart to witness their joy during field trips and water days, which are always filled with excitement and laughter. Most importantly, I cherish the opportunity to share the love of Christ with every child who comes to camp, creating a positive and uplifting environment for them to grow and thrive.

Hi, my name is Teddy! This is my third summer working at WVCS, and I'm thrilled to be back. Currently in 11th grade, I have a passion for theater and volleyball. My ultimate goal is to become a drama teacher and establish my own program where I can direct and inspire young talents. What I cherish most about working at camp is spending quality time with the kids. Whether we're engaging in activities, exploring new interests, or simply sharing stories, their enthusiasm and creativity always brighten my day.

Hi, my name is Saracha! This is my first year working with the Summer Camp, and it has been an enriching experience so far. In my free time, I cherish moments with my family and friends, whether we're exploring Disneyland, watching movies, or enjoying music together. My absolute favorite thing about summer camp is forming bonds with both the staff and the kids. Every day, seeing the smiles and laughter of the children makes the job incredibly enjoyable and rewarding.
