## Supervised After School Hours

Programs run from 3:20 to 6:00 pm for additional after-school support.

### Diverse Activities and Clubs:

- Arts and crafts, snacks, and free play in the gym, outside sports field, or playground.
- Inside the Cafeteria children enjoy relaxing and hanging out together playing unlimited kinds of board games
- Periodically when there are home sporting events students enjoy watching home football or basketball games.
  - Exciting options like play productions, basketball, flag football, cheer, soccer, and volleyball each have varying additional costs. After practices students are able to check in to daycare until parent picks them up.

### Enhanced Security Measures:

- Two armed security guards are stationed at the pedestrian gate for parental peace of mind when it is dark outside. Guards are on campus from 7am until 6pm.

### Youthful and Engaging Staff:

- Young adults make up our dynamic after-school staff, including college students and recent graduates. These employees truly make daycare a blast as they encourage a fun and energetic atmosphere, promoting exploration of new activities.

### Dedicated Supervisors:

- Trained full-time staff overseeing day-to-day activities of daycare and ensure trained staff are overseeing our after school programs.
- These full time employees are supervising from the start to finish of the daycare program.

### Efficient Billing System:

- Parents sign out children daily, with billing through the school FACTS tuition payment program.
- Billing aligns with weekly usage of daycare services.

### Accessible Communication:

- Designated daycare cell phone line provides parents constant communication with staff even when the school office is closed.

### Proven Success:

- The daycare program accommodates 50-75 children daily, ensuring a vibrant and engaging environment.
- Flexibility allows children to complete homework, play, and enjoy a snack while parents attend to work or errands.

Experience the convenience and vibrancy of our after-school programs, where every child can explore, learn, and have fun in a secure and supportive environment.
