Hi there, my name is Skittles and this is my fourth year with West Valley Summer Camp. During the school year, I work as a teacher's aide at West Valley Christian School in Transitional Kindergarten. I am currently in my last year of college, studying hospitality management, and my career goal is to become an event planner. One of my favorite things about summer camp is being able to put a smile on the campers' faces through fun activities and field trips. I love creating memorable experiences for the kids and seeing their joy and excitement. It's incredibly rewarding to contribute to their summer adventures and help them make lasting memories.

I find it incredibly special to work and minister to these kiddos all year long. In my free time, I love to paint, go to the beach, go on hikes, and explore new restaurants. My favorite thing about summer camp is being able to create unforgettable memories with the campers. Whether through fun activities, exciting field trips, or simply sharing stories, I cherish the moments that make each summer unique and impactful for the kids.

Hi, my name is Coach Ice! This is my first summer at West Valley Summer Camp, and I'm thrilled to be here. I have a passion for playing basketball and coaching, and I also volunteer at church in my free time. One of the things I love most about camp is enjoying water activities. Whether it's splashing around in the pool, having water balloon fights, or playing water games, it's always a refreshing and fun way to spend time with friends and make new memories.

Hi there, my name is Squishy! This is my sixth year working at the camp. My career goal is to become an actor and writer, as I love to embrace my creative side and make whatever my heart desires. One of my favorite things about summer camp is talking to the kids and learning their stories. Hearing about their dreams and adventures inspires me and reminds me of the importance of storytelling. In addition to my love for running and creative pursuits, I enjoy organizing fun activities and games that encourage teamwork and self-expression. I strive to create an environment where everyone feels valued and motivated to explore their potential. Summer camp is more than just a job for me; it's a place where I can inspire and be inspired. I'm excited to continue this journey and make every summer unforgettable for the campers.
