

MEET THE TEACHER

Hi there! I'm
Mrs. Roseberry

I teach 4th grade
and I'll be your teacher this year!

This is my 4th year teaching at WVCS! I love our school and love teaching 4th grade.

God has created each student unique, which means each of your students has a different way you learn best. As your teacher, I promise to help each student learn in the way they learn best. I am here to help them be successful and have a fantastic 4th grade year. And I cannot wait to get to know each of them better and see who God has made them to be.

Our adventure begins so soon! Get ready to embark on a fantastic year of learning!

Do you need to contact me? No problem! I would love to hear from you to learn what helped your child be successful in 3rd grade!

Here's my contact info:

A few fun facts!

- ◆ I love to hike!
- ◆ I love to read!
- ◆ I am married to the sweetest man, Mr. Roseberry! We got married in December of 2023.
- ◆ My favorite color is blue!
- ◆ I love cookies, gummy bears, and popcorn!
- ◆ My favorite flowers are carnations!
- ◆ I love to shop at Trader Joe's and Amazon!
- ◆ I love to play board games and card games (my favorite game is Dutch Blitz)!
- ◆ I love Disney! My favorite Disney movies are *Tangled* and *Beauty and the Beast*!

Additional Supplies

Most of your child's school supplies will be provided. Please bring in these additional classroom supplies to class in a bag with your student's name on it to WVCS on Monday, August 12th from 1pm to 3pm for TK - 8th grade student orientation, or the first day of school, Tues. August 13th.

- (1) 1 - 1 1/2-inch binders with a clear cover
- NIV Adventure Bible
- Personal earbuds or small headphones (plug in).
- 2 boxes of tissues
- 2 rolls of paper towels
- 2 large containers of disinfectant wipes
- Fabric book covers for 1 hardbound book or a larger paper bag (like a Trader Joe's bag). Please **NO sticky book covers as they are not best for our textbooks.**

In the preparation for 4th grade, please be sure to be reading at least 20 minutes a day and have them committing their multiplication and division math facts to 12 to memory. Some helpful websites to practice math facts are:

Happy Numbers
Xtramath.org
