

CELEBRATING MOMS AND MUFFINS: A MORNING OF LOVE AND APPRECIATION

In the hallways of our school, there are moments that shimmer with something extra special. Such was the case during our recent "Moms and Muffins" morning, a cherished tradition that honors the incredible mothers of our TK and Kindergarten students. It was a morning filled with fun, fellowship, pastries, and a floral photo opportunity that captured the essence of love and appreciation.

One of the highlights was the kids' own floral arrangements, crafted with love and presented to each mom as a token of gratitude. A special thank you to Victoria Ketcham, her expertise in floral arrangements added an extra touch of elegance. Thanks to the ingenuity of Ashley Barnes, who created a hands-on floral stand, the children were able to choose their favorite blooms and create personalized bouquets. We would also like to thank and acknowledge Tricia Spangler for supplying us with a floral arch that provided a picturesque backdrop for our festivities. It was a heartwarming sight to see the pride in the children's eyes as they presented these floral masterpieces to their moms.

The morning was not just about floral arrangements and sweet treats; it was a celebration of community, laughter, and engagement. The chatter of moms catching up with each other, the laughter of children exploring the floral station, and the shared moments of worship and chapel reflected the interconnectedness of our school family.

As we savored yummy food, sipped on coffee, and admired the floral arrangements lovingly crafted by our children, we couldn't help but feel grateful for the beautiful moms in our TK and Kindergarten community. Each one brings a unique light and warmth to our school, enriching the lives of everyone around them.

To all the moms who joined us for this special morning and to those who couldn't be with us physically but were in our thoughts, we extend our deepest appreciation. Your love, dedication, and unwavering support are the foundations on which our school thrives, and for that, we are truly grateful.

Here's to many more moments of love, laughter, and shared memories as we journey together in the spirit of community and appreciation.
