

Dear Parents,

As we gear up for another exciting summer at West Valley Summer Camp, we warmly invite your family to join us for a season filled with adventure, creativity, and endless fun! Our camp is designed to provide children with unforgettable experiences that foster growth, development, and lifelong memories.

Every day at West Valley Summer Camp is an opportunity for new discoveries. From our Playground Paradise, where imaginations soar on climbing structures and rope courses, to Sports Spectacular, led by our dynamic coaches, Matt and Ethan, fostering skill development and teamwork—there's something for every child to enjoy!

Our Gymnasium Galore offers an air-conditioned space for indoor fun, while the outdoor basketball court and grass sports field set the stage for friendly competition, laughter, and teamwork under the summer sky.

And Fridays? Get ready for our Water Field Day, where campers cool off with water-filled fun! Plus, every other week, we embark on thrilling field trips to Zuma Beach, amusement parks, and museums across LA.

In our Creative Corner Classrooms, children unleash their imagination through arts and crafts, board games, and indoor activities. Mrs. Bond, our talented art instructor, leads our campers in Artistic Expression classes, where they explore their creativity through painting, drawing, and hands-on projects. Meanwhile, our STEM Explorations offer exciting hands-on science experiments to inspire curiosity and innovation.

For those seeking adrenaline-fueled thrills, daily activities include Gaga Pit Madness and Laser Tag Adventure, where campers dive into action-packed gameplay.

From Culinary Adventures to Artistic Expression with Mrs. Bond, there's no shortage of opportunities for self-expression, creativity, and fun. Our carefully curated Age-Appropriate Games ensure that every camper enjoys the magic of summer in a way that's perfect for them.

We are committed to providing a safe, nurturing, and enriching environment where your child can learn, grow, and make lifelong friendships. Join us this summer at West Valley Summer Camp—where the adventure begins!

Warm Regards,
Derek Swales
